Enjoy a few "mocktails" with us as Delia discusses and signs her new book "*Storied Bars of New York: Where Literary Luminaries Go to Drink*". Professor and New York-native (who now calls North Reading home). Raised on the Lower East Side, Cabe reflects on a childhood filled with the awareness that she walked many of the same streets and entered many of the same buildings that housed some of the most famous authors. As Cabe grew up, the fascinations with the haunts of the literary legends of the past only increased, so when 21 hit, so did she- hopping bar to bar to check out the hangs of both new and historic literary luminaries in what has now culminated in her new book. "*Storied Bars of New York: Where Literary Luminaries Go to Drink*" was nationally released in June 2017 to excellent reviews.

Tess Gerritsen - International Bestselling Author Friday October 6, 2017 at 7-9PM in the library Activity Room. Join us for an author visit and book signing as we discuss her new August 2017 release "I Know A Secret: A Rizzoli & Isles Novel".

"Tess Gerritsen's clever plotting and medical knowledge give her thrillers that extra edge. Expect a white-knuckle ride to very dark places."

The philosophy of the North Reading Parks and Recreation is to down play the competitive approach to sports by instilling a positive attitude, confidence and sportsmanship while emphasizing participation and teaching basic fundamentals. It is the goal of the North Reading Recreation Department to encourage all participants, coaches, instructors and parents to: Support and respect the coach, instructor and participants; demonstrate what it means to play fair; win or lose with grace and dignity; encourage children during programs and keep comments positive; leave coaching to the coaches: Parents must be a positive role model exhibiting sportsmanship, refrain from yelling at your child and/or other players by interrupting the flow of the program; That everyone has a positive and fun experience!

From the Recreation Director...Lynne Clemens

This summer was a summer of rebuilding for Recreation. We had new Directors in both SummerScape and Kid Connection. After many years, our Programmer/KC Director—Maria Brown moved into a new position of department secretary and our long time instructor/coach -Nancy Ursino moved into the position of Programmer. We moved some summer staff into lead positions and had a few new counselors as well. We had a lot of wrinkles to iron out but all in all I felt the summer went really great. It felt much busier than most summers for me with all of the new staff but they worked well together and we had great enrollment in our programs. My staff and I certainly took notes on some areas we need to change to make it work smoother for all and I will be making some changes for next summer. The kids were great this summer. The cooler weather this season left them with a lot of enthusiasm and energy! We had great field trips in Summerscape and our numbers grew so much we had to add an additional bus to every field trip! Thank you for trusting us with your children, we truly enjoy our jobs!

Our Summer BBQ series at IRP started off with a bang with our 20th Anniversary of the park celebration! We had SO MUCH FUN bringing the prices back 20 years and making it free to enter and having great entertainment. We served just under 1,000 people from our community that night! The entire summer was full of successful Wednesday night BBQ's even though we had two rain outs! We made up for the rain outs with a double the fun BBQ at the end of the summer. Thank you for coming out in strong numbers to support our events!

Take a look at what we have put together for this Fall, if you're looking for something we don't offer, call us. We are always happy to hear from you and try to accommodate your interests!

Thank you for letting us be an important part of this community!
