USTA New England Social Tennis League

This league offers the opportunity for adults throughout New England to meet new people through the game of tennis. A great way to improve your skills or get back into tennis in a fun, social environment. All levels are welcome to join as long as you can serve, rally, and know the rules at a minimum since this league is match-based. Teams are co-ed and matches should be level-based.
7 week sessions

Recreational League

- lower-level players (novice/2.5 and low Intermediate/3.0)

Intermediate League

- higher-level players (intermediate/3.5 or high Intermediate/4.0)

If you are unsure which league is right for you, we suggest starting with Recreational.

The first night of each season is a fun hit-around night so players can get some practice in before matches start and meet the other players in the league. In the following weeks, players will be assigned a one-hour doubles match at either 6, 7, or 8 pm. The final week is playoffs to determine the winning team for the season.
